## YOUR BOARD

Greetings from the San Diego Emmaus Community Board of Directors! This Board is an active and creative group of servants dedicated to the success of the community. We are energized and ready to team with you to make these next set of Walks an instrument of church renewal. As a community we need to remember the purpose of Emmaus is the renewal of the church through the renewal of the Christian. That starts with good sponsorship which you have heard a lot about. As you pray for those who God will place on your heart to sponsor, seek strong Christians who are active in their local congregation. And remember that the Walks are not the only function of Emmaus. We are building a strong 4<sup>th</sup> Day community as evidenced by the great turn-out at Gatherings. We also need to place emphasis on the small group experience. It is difficult to maintain your Christian walk by yourself! We need those Christian brothers and sisters to keep us on the right track! The opportunity to sponsor is NOW. Pilgrim applications are available on the web-site [www.emmaussd.org](http://www.emmaussd.org) or at any of the many informational meetings held at local churches. We anticipate a waiting list so send your Pilgrim's application in as soon as possible. The Board sends greetings of the season with the HOPE and PROMISE of the Christ child to you and your families! What a wonderful God we serve!  
In His Service, Mary Beth Klauer

## I Can Only Imagine

“I Can Only Imagine” is a praise song we sing frequently at St. Paul’s contemporary service. The song challenges us to Imagine what heaven and meeting God will be like. For many of us, the Walk to Emmaus Weekend provided a glimpse of heaven to assist our imagination.

How many leaders or potential leaders has God placed in your life that could benefit from the Weekend and having a glimpse or two of their own?

Can you imagine how your congregation, workplace, family and your environment would benefit from those same people being sponsored by you?

Can you Imagine the San Diego Emmaus Community and its 4<sup>th</sup> day mission when each of us who have experienced the weekend are led to sponsor one or two couples or 3 or four singles each year?

With the past year’s momentum there is no need to imagine that Ideal of living of our 4<sup>th</sup> day. God has placed those potential Pilgrims in our paths. Can You Imagine the April weekends without them?

Give them a Gift they don’t have to Imagine. Give them the Gift of your Sponsorship.

Tom Lowe, Community Outreach Board Liaison

## MESSAGE FROM E-95/96 LAY DIRECTORS

Dear Brothers and Sisters in Christ,

In this busy season of Thanksgiving and Christmas, we are all busy preparing meals, planning our Christmas gatherings and the Spring Walks may seem far away. But soon the New Year will be here and we will be in the season of preparation for the E-95 and E-96 Walks. The deadline for Pilgrim Applications is February 12 and Team Meetings start on Friday, March 5. It is important that you get in the Team Applications as soon as you know that you can work on Team. If you can't work full time, please consider working part time. You are a blessing to the Pilgrims, if you work full time or part time. Remember the feeling of being part of the Team and the blessings that you receive in giving!

Speaking of Blessings – remember when you were asked to go on your Walk. You had questions, hesitation, and felt led to make your decision to accept the invitation. Pray about potential Pilgrims and ask them so that they may be blessed by their Walk to Emmaus. We know that when we ask, the Pilgrims may not yet be ready to commit to going. Give the Pilgrims plenty of time to pray and be available to answer questions. Pilgrim and Team Applications are available at the San Diego Emmaus Website, <http://www.sdemmaus.org>.

*“As you therefore have received Christ Jesus the Lord, continue to live your lives in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving” (Col 2: 6)*

DeColores,  
Gary and Ginny Jackson  
Lay Directors, E-95, E-96

### Notes from the Board:

We will be processing Pilgrim applications February 12th. Send applications to the PO Box as soon as possible (no later than February 12th) to avoid being placed on a waiting list. We anticipate the Walks will be filled this Spring.

The week-ends are primarily financed by team and Pilgrim fees but not all expenses are met by these fees. That is why payment of the fees is so important. If you are unable to pay your Team fees, please seek a "sponsor" to pay those fees for you so you can work the week-end. WE WANT YOU THERE!
